## BONUS PHOTO GALLERY - Boxing Day Shoot

These just in...

A selection of photos from our regular contributor John Pearson from the High Street in Maxey.

Muddy conditions necessitated a military-style operation to get all the equipment to the shooting ground. Here Neil Marsland's beast of a Land Rover hauls John Machin's Discovery and trailer out of the Maxey mire.

The large bonfire eventually did get going, but only after Keith Elliott's close investigation into the situation.

All stands were busy throughout the morning. John Machin ran the novice stand, with help from trapper Tristram Lloyd.

Pat Summers (with red hat) had a ready supply of ladies wanting coaching on her stand.

Neil Marsland keeps his eye on an entrant on one of the expert stands.

Some of the coaches and helpers pictured after the clearing up operation: (left to right) Anthony Machin, John Workman, Neil Marsland, Ian Starkey, John Machin, Keith Elliott, Rob Lamb, Pat Summers.
