## Volvo 1800S 'The Saint's Car'

A local Maxey car, owned and run by the Di & Jack Hindle.

### A Short History

This is the shape of the car driven by Simon Templar (Roger Moore) in the classic TV series 'The Saint'. First registered in 1967 it's been in the Hindle family for 31 years and has had 3 previous owners.

A regular sight in the village until a couple of years ago when the much promised restoration was to commence. So many people admired this car that it surely won't be long til Jack has it gleaming like new again.
