### Massive Bonfire & Great Fireworks

Another year, and another successful Bonfire & Fireworks display at Wistaria Farm, Maxey.

All the usual attractions brought out a good crowd who 'oohed' and 'aahhed' as a very professional firework display lit up the sky with vibrant colours, screeches and bangs. Impeccably organised with full insurance & first aid cover the annual bonfire and fireworks has become an annual 'must see' for Maxey folk and visitors from further afield.

As ever this was an 'ensemble' event, orchestrated by Warren Garford and the rest of the Village Hall Committee team. With voluntary contributions from others and the generosity of the stall holders it seems calm and serene in the public view, but a huge amount of preparation work goes into such an event.

Thanks to everyone who gave their time and expertise so generously and all the visitors for making the event a success.

The fun-fair style rides were well used.

The bonfire was huge and lit up the night sky.

The fireworks were very well presented this year, with a good mix between colour and noise.

The Grasmere BBQ was very popular!

Many tried the Coconut Shy, few won - but it was the taking part that counted!
