Maxey Art Group

Exhibition of Paintings

Members of the Maxey Art Group held a two day exhibition of their work in Maxey Village Hall writes *Chris Adams*.

Visitors to the Maxey Art Club Exhibition had a variety of styles and media to chose from.

Over the weekend of Saturday 31 July 2004 and Sunday 1 August 2004 there was a good attendance on both days and sales were steady. It was a colourful display of many different styles and media, from watercolours and pastels of local scenes, to abstracts and still life in oils or acrylic. Comments on the work were very enthusiastic and the group had their most successful event ever.

The class was originally tutored by Trevor Tanser for some 25 years, until his retirement 3 years ago but the group continues to meet and paint each Thursday morning

at the Village Hall. It frequently holds workshops with visiting tutors and in the Summer, outings are arranged to suitable outdoor sites.
