## Maxey Annual Bonfire & Fireworks 2004

### Wistaria Farm Venue Celebrates 10th Show

After 10 years of running this event, Maxey Community Association (Village Hall) saw one of the best turnouts of an estimated 800 people writes **Andy Bagworth**.

As the bonfire was lit at Wistaria Farm, the rain started to come down but this didn't dampen the Maxey firework spirit! The large bonfire helped to keep everyone warm and we were all entertained to a magnificent display of fireworks.

The rain didn't dampen the spirits at the Annual Maxey Bonfire & Fireworks Display. With the help of donations from the bar, fairground rides and the mulled wine, the event realised a small profit of nearly £200 which will go towards the cost of providing disabled toilets in the village hall.

With the help of donations from the bar, fairground rides and the mulled wine, the event realised a small profit of nearly £200 which will go towards the cost of providing disabled toilets in the village hall.

Stuart Stables kindly donated a generous £300 which will go to a charity, still to be decided.

The organisers would like to thank the following:

**Warren and Roger Garford**, who provided the ideal rustic setting of Wistaria farm again.

**Roger Garford** whose secret recipe mulled wine was a winner again!

**Stuart Stables** who provided the BBQ and again served up delicious **Grasmere** sausages and burgers.

To all those who helped in the preparations and throughout the evening.

**John** from the **Horse & Jockey Pub** who provided the licensed bar, which ensured that everyone was happy throughout the evening.
