Charity Carol Singing Wagon 2009

Carol Singers Serenade Maxey in the Snow

The 3rd annual Carol Wagon slithered its way around a snow bound Maxey on the night of 18 December 2009.

Fortified by thoughts of a warm Village Hall with refreshments at the end of their endeavours a hardy crew of carol singers set out onboard the specially adapted trailer provided once again by **Graham Smitheringale of Manor Farm, Etton**. More volunteers braved the snowy conditions underfoot during their door-to-door collections.

A full report will appear in the **Maxey Life Magazine March 2010** issue.

Over **£400** was raised which this year will be donated to [Sue Ryder Care](#) and [Papworth Hospital](#).

The **Village Hall Committee** would like to thank everyone who helped us with the event and all the village for their generosity.
