8th Annual Maxey Car Show

Record Attendance for Car Show's Return

The 8th annual Maxey Classic Car Show took place at its traditional lakeside venue off Quarry Lane, Maxey on Saturday 15 August 2009 with early show arrivals from 9.30 am.

After last year's event was cancelled due to a lack of volunteer helpers it was very gratifying for the organisers, **Maxey Charity Club**, to relaunch the Maxey Car Show with a record turnout of show cars and visitors.

A lot of hard work goes into the show and the organisers were determined that this year's event would make up for the disappointment of having to cancel in 2008. With a small army of volunteers to marshal the show and visitor parking, direct traffic and collect entrance fees the show ran smoothly throughout the day.

Best in show and best 1960's winner was this delicious 1964 Sunbeam Alpine Series IV Gran Turismo Automatic owned by John Boggis of Leicester. The president of the Sunbeam Alpine Owners Club of America, Scott Christie, describes the car as "the rarest Alpine in the world". Check out the owner's website - www.sunbeam-alpine.com - to find out why and for the history of this beautiful and unmolested classic.

event, which goes a long way to making all the hard work worthwhile.

With such a large sum of £3,100 going to the Maxey Charity, all the concerns from last year have been overcome. The Maxey Car Show is back, bigger and better than ever!"

Over **330** vehicles were on display alongside more than **20** classic motorcycles with a tremendous **1400** punters through the gates! More than **£3,100** was raised and will be distributed to local and national charities and other good causes by the charity club. Since it's inception the charity club has raised and distributed nearly **£50,000**.

Senior Coordinator Pat Summers was full of praise for everyone who helped in any way with making the 2009 show a great success, "After the disappointment of not being able to run the show last year through a lack of helpers, we had concerns that people wouldn't want to come back. But it turned out that this was the biggest and best show so far.

This was only possible because of those who stepped forward and a big thanks go to them. All entrants and visitors agreed that it was a great

Photos from this year's Classic Car Show

SKY-EYE PHOTOS

Local Specialist Photo Team Visits Car Show

Sky-Eye Photos of Deeping St Nicholas had their 26m Mast Photography System in action at this year's Car Show.

Their elevated, mast-mounted camera certainly gives a completely different perspective to the scale & scope of the car show. Peter Neal of Sky-Eye Photos was pleased to allow a number of their images to be featured on this site and the dedicated car show website ([maxeycarshow.co.uk](http://www.maxeycarshow.co.uk)).

"It's not everyday that an event takes place on your doorstep that can showcase our services so effectively".

Sky-Eye Photos services are available for: Residential & Commercial Property, Construction & Inspection, Sports, Events & Weddings, Insurance & Disputes, Archaeological & Heritage, Marketing, etc. In fact, "anything from high up!" adds Peter.

Contact Peter on **01775 630149** or **07887 383200** or e: info@sky-eyephotos.co.uk or w: sky-eyephotos.co.uk
